ANNUAL PUBLICATION OF NORTH CAROLINA STATE COLLEGE
RALEIGH, NORTH CAROLINA

Foreword

IN TIME OF WAR, publishing the AGROMECK has not been an easy task. As a matter of fact, the task would have been an impossible one if it had not been for the coöperation of the entire student body . . . we thank you every one.

In editing the 1944 AGROMECK we have kept one thing uppermost in mind . . . that was to make North Carolina State live for those classmates of ours who are now in the Army, Navy, and Marines. We have tried to make the thrilling and exciting moments of college life live again in the minds of those boys who, once, just like ourselves, made State ring with tense excitement on a football Saturday or on a dance weekend. If these classmates are able to page through this book and recall all of the treasured memories of life at North Carolina State College, we will feel that our job is well done.

THE 1944 AGROMECK STAFF.

Dedication

Professor Robert B. Rice

WE proudly dedicate this, THE 1944

AGROMECK, to a master engineer who
has won the hearts and confidence of

North Carolina State College - - - - -

PROFESSOR ROBERT B. RICE

Contents

1. THE COLLEGE

2. THE CORPS

3. THE FRATERNITIES

4. THE FEATURES

Colonel John W. Harrelson

B.E., M.E.

Dean of Administration

For Colonel Harrelson, now on active duty with the Army of the United States, we wish an early victory, which will bring his return to the college so closely united with him in mutual affection.

FACULTY COUNCIL

L. D. BAYER	<i>Director, Agricultural Experiment Station</i>
B. F. BROWN	<i>Dean, Basic Division of the College</i>
T. E. BROWNE	<i>Director, Division of Teacher Training</i>
WM. HAND BROWNE, JR.	<i>Head, Department of Electrical Engineering</i>
MALCOLM E. CAMPBELL	<i>Dean, Textile School</i>
E. L. CLOYD, Secretary	<i>Dean of Students</i>
W. L. MAYER	<i>Director of Registration and Purchasing Agent</i>
Z. P. METCALF	<i>Director of Instruction, School of Agriculture; Chairman, Committee on Graduate Instruction.</i>
I. O. SCHAUB	<i>Dean, School of Agriculture; Director, Agricultural Extension</i>
J. G. VANN	<i>Assistant Controller</i>
L. L. VAUGHAN	<i>Acting Dean, School of Engineering, and Director of Instruction</i>
A. J. WILSON	<i>Head, Department of Chemistry</i>

DEAN E. L. CLOYD, B.E., M.S.
Dean of Students

DEAN L. L. VAUGHAN
Dean of the School of Engineering

DEAN I. O. SCHAUB, B.S.
Dean of the School of Agriculture and Forestry

DEAN MALCOLM E. CAMPBELL
Dean of the Textile School

MR. W. L. MAYER, B.S., M.S.
Director of Registration

DEAN B. F. BROWN, B.S.
Dean of the Basic Division

MR. Z. P. METCALF, A.B., D.Sc.
Director of Instruction of the School of Agriculture

MR. T. E. BROWNE, A.B., M.A.
Director of the Division of Teacher Training

J. G. VANN
Assistant Controller

THE FACULTY

- W. E. ADAMS
Assistant Professor of Mechanical Engineering
- W. H. ADAMS
Instructor in Military Science and Tactics
- RUTH COUCH ALLEN
Instructor in English
- D. B. ANDERSON
Professor of Botany
- R. L. ANDERSON
Instructor in Mathematics
- L. O. ARMSTRONG
Associate Professor of Education
- L. J. ARRINGTON
Instructor in Economics
- W. F. BABCOCK
Assistant Professor of Civil Engineering
- S. T. BALLENGER
Associate Professor of Modern Languages
- L. W. BARNHARDT
Associate Professor of History and Political Science
- Z. V. BARNHARDT
Instructor in Physics
- GEORGE BAUERLEIN, JR.
Assistant Professor of History
- WILLIAM LUDWIG BAUMGARTEN
Assistant Professor of Architecture
- L. D. BAVER
Director, Agricultural Experiment Station
- ELMER BILLMAN
Instructor in Mathematics
- MAJOR JAMES L. BONNER
Air Corps Commanding Officer
- E. W. BOSHART
Professor of Education
- C. H. BOSTIAN
Associate Professor of Zoology
- D. E. BRADY
Associate Professor of Animal Husbandry
- F. C. BRAGG
Instructor in Mechanical Engineering
- V. R. BRANTLEY
Instructor in Mathematics
- C. R. BRAMER
Associate Professor of Structural Engineering
- W. S. BRIDGES
Associate Professor of Mechanical Engineering
- RICHARD BRIGHT
Assistant Professor of Chemical Engineering
- H. B. BRIGGS
Professor of Engineering Drawing and Descriptive Geometry
- B. F. BROWN
Dean of the Basic Division
- R. R. BROWN
Associate Professor of Electrical Engineering
- T. C. BROWN
Assistant Professor of Mechanical Engineering
- T. W. BROWN
Assistant Professor of Mechanical Engineering
- T. E. BROWNE
Director of the Division of Teacher Education
- W. H. BROWN, JR.
Professor of Electrical Engineering
- M. F. BUELL
Assistant Professor of Botany
- R. C. BULLOCK
Associate Professor of Mathematics
- K. W. CAMERON
Instructor in English
- MALCOLM E. CAMPBELL
Dean of the Textile School
- J. W. CELL
Associate Professor of Mathematics
- LOUISE K. CELL
Instructor in English
- J. W. CAHLFANT
Associate Professor of Forestry
- G. W. CHARLES
Instructor in Physics
- B. S. CLAPP
Assistant Professor of Military Science and Tactics
- J. D. CLARK
Professor of English
- J. M. CLARKSON
Associate Professor of Mathematics and Experimental Statistics
- W. L. CLEVINGER
Professor of Dairy Manufacturing
- J. K. COGGIN
Professor of Agricultural Education
- E. R. COLLINS
Associate Professor of Soils
- W. E. COLWELL
Associate Professor of Agronomy
- N. W. CONNER
Associate Professor of Engineering Mechanics
- L. E. COOK
Professor of Agricultural Education
- HENRY CHARLES COOKE
Instructor in Mathematics
- R. L. COPE
Assistant Professor of Mechanical Engineering
- GERTRUDE M. COX
Professor of Experimental Statistics
- GEORGE REDIN CULBERSON
Assistant Professor of Yarn Manufacturing
- R. W. CUMMINGS
Professor of Agronomy
- P. H. DAVIS
Instructor in English
- R. S. DEARSTYNE
Professor of Poultry Science
- J. B. DERIEUX
Professor of Theoretical Physics
- C. G. DOAK
Assistant Professor of Physical Education
- T. C. DODY
Associate Professor of Chemical Engineering
- J. C. DRAKE
Instructor in English
- GEORGE H. DUNLAP
Textile Technologist
- C. L. EADDY
Instructor in English
- P. W. EDSALL
Instructor in History
- N. L. ENSOR
Instructor in Physics
- HARRY D. EPTING
Assistant Professor of Military Science and Tactics

THE FACULTY

- J. N. FARLOW
Instructor in Engineering Mechanics
- WILLIAM BEATTIE FEATHERS
Instructor of Physical Education
- FLETCHER W. FERGUSON
Instructor of Physical Education
- H. A. FISHER
Professor of Mathematics
- G. W. FORSTER
Professor of Agricultural Economics
- F. M. FORTENBERRY
Instructor of Physical Education
- J. E. FOSTER
Professor of Animal Husbandry and Dairying
- A. M. FOUNTAIN
Associate Professor of English
- R. S. FOURAKER
Professor of Electrical Engineering
- W. G. FRIEDRICH
Instructor in Aeronautical Engineering
- B. B. FULTON
Professor of Entomology
- M. E. GARDNER
Professor of Horticulture
- H. C. GAUGER
Assistant Professor of Poultry Science
- PAUL D. GENTLE
Instructor, Military Science and Tactics
- H. T. GIBSON
Instructor in English
- G. W. GILES
Associate Professor of Agricultural Engineering
- K. B. GLENN
Assistant Professor of Electrical Engineering
- J. H. GRADY
Assistant Professor of Architecture
- S. PAIGE GRAHAM
Instructor of Physical Education
- R. E. GREAVES
Assistant Professor of Poultry Science
- RALPH W. GREEN
Associate Professor of Marketing
- ROBERT EDWARD LEE GREENE
Associate Professor of Agricultural Economics
- W. C. GREGORY
Assistant Professor of Agronomy
- A. H. GRIMSHAW
Professor of Textile Chemistry and Dyeing
- C. D. GRINNELLS
Associate Professor of Veterinary Science
- ELLIOT B. GROVER
Head Yarn Manufacturing Department of Textile School
- MAJOR WALTER C. GUY
Executive Officer in ASTP
- F. M. HAIG
Professor of Animal Husbandry and Dairying
- RUTH BADGER HALL
Instructor in Modern Languages
- C. H. HAMILTON
Professor of Rural Sociology
- REINARD HARKEMA
Associate Professor of Zoology
- THOMAS PERRIN HARRISON
*Dean Emeritus of the College;
Editor of Official College Publications*
- T. R. HART
Professor of Weaving and Designing
- A. C. HAYES
Assistant Professor of Textile Chemistry and Dyeing
- C. M. HECK
Professor of Physics
- A. T. HENDRIX
Associate in Farm Machinery
- W. N. HICKS
Professor of Ethics and Religion
- JOHN THOMAS HILTON
Professor of Yarn Manufacturing
- T. I. HINES
Assistant Professor of Physical Education
- L. E. HINKLE
Professor of Modern Languages
- E. G. HOEFER
Professor of Mechanical Engineering
- J. V. HOFMANN
Professor of Forestry
- ROBERT HOOKE
Instructor in Mathematics
- J. I. HOPKINS
Instructor in Physics
- A. B. HOSKINS
Head of Geography Department
- E. H. HOSTETLER
Professor of Animal Husbandry
- T. E. HUDE
Instructor in Mechanical Engineering
- FRANKLIN IRWIN
Instructor in English
- H. W. JONES
Instructor in Physics
- W. E. JORDAN
Associate Professor of Chemistry
- L. M. KEEVER
Associate Professor of Electrical Engineering
- H. S. KIEVAL
Instructor in Mathematics
- B. W. KENYON, JR.
Instructor in Agricultural Economics
- H. G. KINCHELOE
Assistant Professor of English
- W. M. KULASH
Instructor in Zoology
- C. D. KUTSCHINSKI
Director of Music
- ARTHUR I. LADU
Professor of English
- C. M. LAMBE
Assistant Professor of Civil Engineering
- C. M. LAMB, JR.
Instructor in Ceramic Engineering
- L. J. LAMPKE
Instructor in History
- FORREST WESLEY LANCASTER
Associate Professor of Physics
- FRED T. LANGFORD
Assistant Professor of Military Science and Tactics
- P. S. LEA
Instructor in Mechanical Engineering
- M. C. LEAGER
Professor of Statistics and Accounting

THE FACULTY

- J. E. LEAR
Professor of Electrical Engineering
- T. B. LEDBETTER
Instructor in Mechanical Engineering
- W. D. LEE
Assistant Professor of Agronomy
- S. G. LEHMAN
Professor of Plant Pathology
- J. A. LEIPOLD
Instructor in Military Science and Tactics
- P. B. LEONARD
Instructor in Mechanical Engineering
- J. E. LEVINGS
Assistant Professor of Mechanical Engineering
- CHARLES F. LEWIS
Instructor in Mathematics
- J. G. LEWIS
Associate Professor of Knitting
- ARTHUR S. LINK
Instructor in History
- R. H. LOEPPERT
Instructor in Chemistry
- WALTER LOEWENSBERG
Instructor in Mechanical Engineering
- R. L. LOVVORN
Associate Professor of Field Crops
- J. R. LUDINGTON
Associate Professor of Industrial Arts Education
- JAMES F. LUTZ
Professor of Soils
- J. T. LYNN
Instructor in Physics
- C. W. MADDISON
Foreman of Foundry
- C. L. MANN
Professor of Civil Engineering
- R. P. MARSHALL
Professor of English
- S. C. MAYO
Assistant Professor of Rural Sociology
- F. H. MCCUTCHEON
Associate Professor of Zoology
- COL. DOUGLAS N. McMILLIN
PMS&T, Military Department
- J. S. MEARES
Associate Professor of Physics
- W. G. MENDENHALL
Instructor of Mechanical Engineering
- Z. P. METCALF
*Director of Instruction, School of Agriculture and Forestry;
Professor of Zoology and Director of Graduate Studies*
- G. K. MIDDLETON
Professor of Field Crops
- E. L. MILLER, JR.
Instructor in Geology
- J. F. MILLER
Professor of Physical Education and Athletics
- W. D. MILLER
Associate Professor of Forestry
- T. B. MITCHELL
Professor of Zoology and Entomology
- R. O. MOEN
Professor of Business Administration
- DANNIE JOSEPH MOFFIE
Assistant Professor of Psychology
- J. W. MORGAN
Instructor of Chemistry
- C. G. MUMFORD
Professor of Mathematics
- W. M. NEALE
Instructor in Mechanical Engineering
- THOMAS NELSON
Dean Emeritus of Textile School
- WILLIAMS NEWTON
Instructor in Physical Education
- J. H. NICHOLS
Instructor in Electrical Engineering
- J. P. NICKELL
Instructor in English
- W. G. NORRIS
Instructor in Physical Education
- R. L. OVERCASH
Instructor in Chemical Engineering
- E. H. PAGET
Associate Professor of English
- C. B. PARK
Instructor Emeritus in Machine Shop
- H. V. PARK
Assistant Professor of Mathematics
- J. W. PATTON
Associate Professor of History and Political Science
- J. D. PAULSON
Associate Professor of Architecture
- R. J. PEARSALL
Assistant Professor of Electrical Engineering
- E. L. PERRY
Instructor of Mechanical Engineering
- J. R. PILAND
Assistant Professor of Soils
- J. P. PILLSBURY
Professor of Landscape Architecture
- EDMUND WESLEY PRICE, JR.
Instructor in Chemical Engineering
- E. S. PUGH
Instructor of Architecture
- G. K. QUINNEY
Assistant Professor of Military Science and Tactics
- G. O. RANDALL
Associate Professor of Horticulture
- E. E. RANDOLPH
Professor of Chemical Engineering
- ROBERT F. RAUTENSTRAUCH
Assistant Professor of Aeronautical Engineering
- M. E. RAY
Instructor of Civil Engineering
- PAUL S. REDDISH
Instructor in Physics
- W. A. REID
Assistant Professor of Chemistry
- R. B. RICE
*Professor of Experimental Engineering, Executive Officer,
Mechanical Engineering Department*
- J. A. RIGNEY
*Associate Professor of Field Crops and
Experimental Statistics*
- A. P. ROBINSON
Instructor in English
- ROBERT HENRY RUFFNER
Professor of Animal Husbandry and Dairying

THE FACULTY

- G. H. SATTERFIELD
Professor of Biochemistry
- H. E. SATTERFIELD
Professor of Mechanical Engineering
- I. O. SCHAUB
*Dean of the School of Agriculture and Forestry,
and Director of Agricultural Extension*
- W. P. SEAGRAVES
Instructor in Mathematics
- L. WALTER SEEGER
Assistant Professor of History
- J. F. SEELY
Instructor in Chemical Engineering
- W. E. SELKINGHAUS
Assistant Professor of Mechanical Engineering
- A. O. SHAW
Professor of Industrial Engineering
- LUTHER SHAW
Professor of Plant Pathology
- W. FRANK SHEALY
Instructor in English
- A. B. R. SHELLEY
Assistant Professor of English
- M. L. SHEPHERD
Assistant Professor of Military Science and Tactics
- M. F. SHOWALTER
Associate Professor of Chemistry
- W. P. SHUFORD
Instructor of Physical Education
- C. B. SHULENBERGER
Professor of Accounting
- R. E. SHUMAKER
Professor of Architecture
- I. V. D. SHUNK
Associate Professor of Botany
- G. K. SLOCUM
Associate Professor of Forestry
- B. W. SMITH
Assistant Professor of Field Crops
- C. F. SMITH
Assistant Professor of Entomology
- FRED A. SMITH
Instructor in Physics
- G. W. SMITH
Professor of Engineering Mechanics
- J. W. SMITH
Professor of Industrial Education
- R. O. STEVENS
Professor of Zoology
- R. E. STIEMKE
Associate Professor of Civil Engineering
- E. H. STINSON
Instructor in Mechanical Engineering
- R. L. STONE
Assistant Professor of Ceramic Engineering
- CHARLIE CARMEN STOTT
Assistant Professor of Military Science and Tactics
- C. F. STROBEL
Instructor in Mathematics
- A. D. STUART
Associate Professor of Field Crops
- J. L. STUCKEY
Professor of Geology
- PAUL PORTER SUTTON
Assistant Professor of Chemistry
- PHILIP BARLOW SWAIN
Instructor of English
- NORMAN C. TETER
Assistant Professor of Agricultural Engineering
- HORACE C. THOMAS
Instructor in Military Science and Tactics
- C. E. THOMPSON
Instructor of Mathematics
- J. R. TIMMERMAN
Instructor in English
- R. W. TRUITT
Instructor in Aeronautical Engineering
- W. G. VAN NOTE
Associate Professor of Chemical Engineering
- LILLIAN LEE VAUGHAN
Professor of Mechanical Engineering
- HERMAN H. VESTAL
Assistant Professor of Military Science and Tactics
- BENNETT HARRISON WALL
Instructor in History
- D. S. WEAVER
Professor of Agricultural Engineering
- J. G. WEAVER
Associate Professor of Horticulture
- R. M. WEAVER
Instructor in English
- B. W. WELLS
Professor of Botany
- F. B. WHEELER
*Professor of Practical Mechanics and
Superintendent of Shops*
- R. C. WHITE
Instructor in Chemistry
- LARRY ALSTON WHITFORD
Assistant Professor of Botany
- C. B. WILLIAMS
Professor Emeritus of Agronomy
- H. P. WILLIAMS
Professor of Mathematics
- L. F. WILLIAMS
Professor of Organic Chemistry
- N. W. WILLIAMS
Assistant Professor of Poultry
- A. J. WILSON
Professor of Analytical Chemistry
- T. L. WILSON
Assistant Professor of English
- MERLE WESLEY WING
Instructor in Zoology
- E. W. WINKLER
Assistant Professor of Electrical Engineering
- S. R. WINSTON
Professor of Sociology
- L. S. WINTON
Associate Professor of Mathematics
- T. W. WOOD
Associate Professor of Industry and Personnel Management
- J. W. WRAY
Instructor in Mathematics
- G. H. WRIGHT, JR.
Instructor in Engineering
- LENTHALL WYMAN
Professor of Forestry
- WILLARD K. WYNN
Assistant Professor of English
- WILFRED BUCK YEARNES
Instructor in History

In Memoriam

TO OUR HEROES OF
WORLD WAR II

*Those alumni of North Carolina
State College who have given
their lives in defense of
their country.*

THE SENIOR CLASS

OFFICERS

WALTER W. HARPER

President

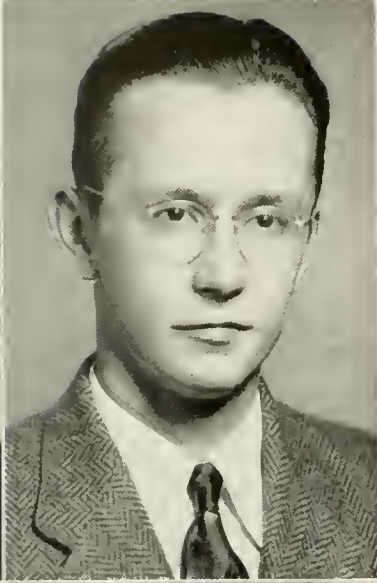

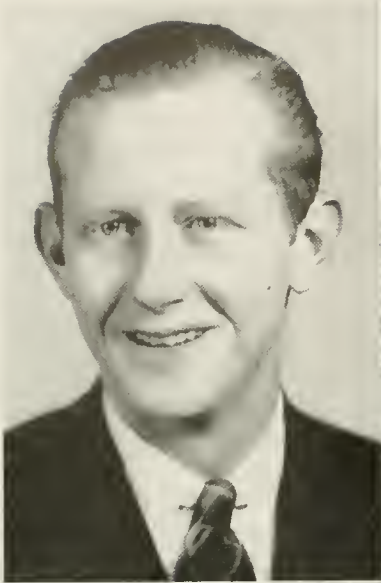

M. B. JOHNSON

Secretary-Treasurer

ARTHUR C. SPRUILL

Vice-President

RODERICK MCIVER ALLEN, JR., K A
RALEIGH, N. C.

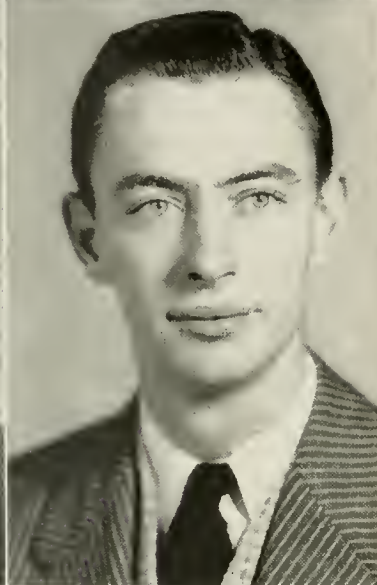

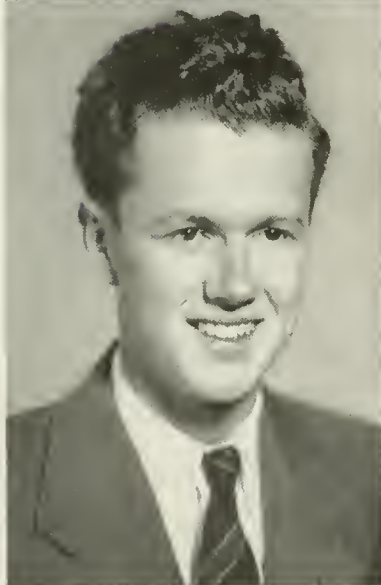

Aeronautical Engineering

Phi Eta Sigma; R. O. T. C. (1, 2, Sergeant 3, Lieutenant 4); Y. M. C. A. (3, 4); Interfraternity Council (4).

WILLIAM ROYCE ALLEN
BADIN, N. C.

Mechanical Engineering

Mu Beta Psi (Secretary 4); A. S. M. E.; Concert Band (2, 3, 4); Red Coat Band (1, 2, 3, 4); Baptist Student Union (Vice-President 4).

ROBERT ERWYN ALLISON
SYLVA, N. C.

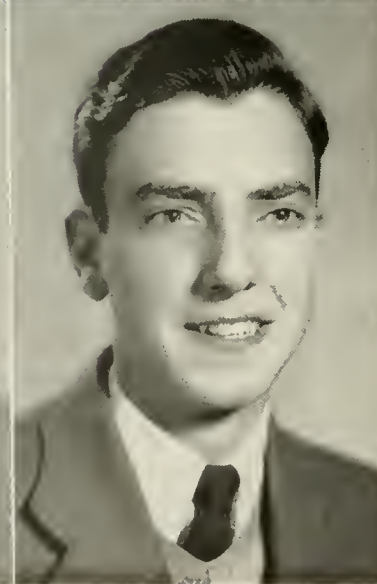

Aeronautical Engineering

Institute of the Aeronautical Sciences (Secretary 4); Y. M. C. A.; Knights of St. Patrick (4).

E. KEITH ALMOND
ALBEMARLE, N. C.

Poultry Science

Ag. Club; R. O. T. C. (1, 2); Basketball (1, 2, 3, 4).

JOSHUA REESE BAILEY, Δ Σ Φ
ROCKY MOUNT, N. C.

Aeronautical Engineering

Pine Burr; Tau Beta Pi; Phi Kappa Phi; Institute of the Aeronautical Sciences (Vice-Chairman 4); Interfraternity Council (Secretary 3, 4); Engineers' Council (4); Student Council (4); Cheerleader (2, 3); R. O. T. C. (1, 2); Drum and Bugle Corps (1, 2); Intramurals—Football (2, 3, 4), Baseball (2, 3), Boxing (2); Technician; Finals Dance Committee (3); Engineers' Brawl Banquet Committee (Chairman 4); Pledge Dance Committee (4); Knights of St. Patrick (4); Y. M. C. A.

FLOYD POWELL BARNES, A A T
HENDERSON, N. C.

Civil Engineering

Theta Tau (Treasurer 4); A. S. C. E. (President 4); Engineers' Council (Treasurer 4); Associated General Contractors; Y. M. C. A. (1, 2, 3); *Wataugan* (Circulation Manager 3); R. O. T. C. (1, 2); Student Legislative Assembly (4).

WILLIAM WILTON BARNHARDT
WINSTON-SALEM, N. C.

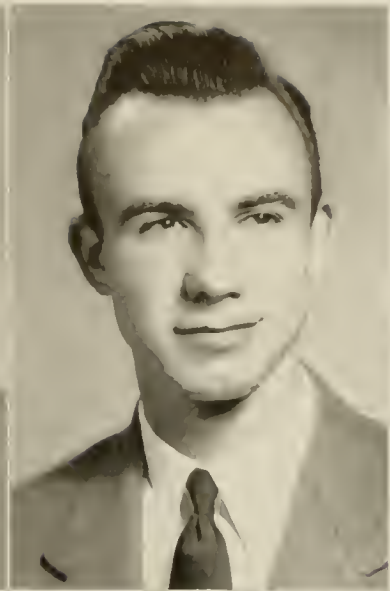

Chemical Engineering

A. I. Ch. E.; R. O. T. C. (1, 2); Gamma Sigma Epsilon.

JOSEPH WILLIAMS BAZEMORE
MOUNT OLIVE, N. C.

Aeronautical Engineering

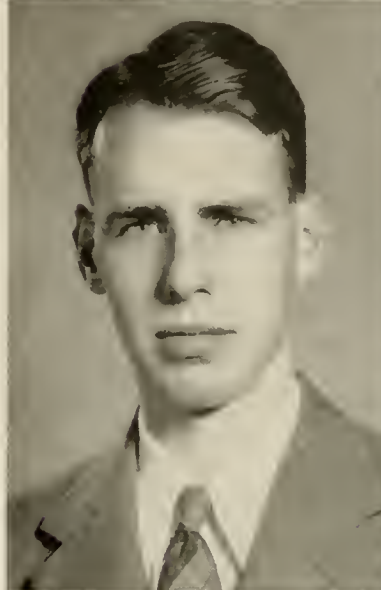

I. Ae. S. (Secretary-Treasurer 4).

JOHN KNOX BEASLEY
LOUISBURG, N. C.

Chemical Engineering

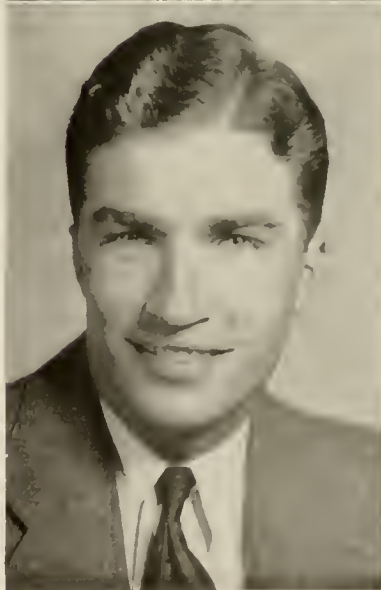

Tau Beta Pi; Phi Kappa Phi; Pine Burr; Gamma Sigma Epsilon; Pi Kappa Delta (President 3, 4); Order of St. Patrick; Debating (2, 3, 4); Student Legislature (President 3, 4).

HUGH PARKS BELL
HUNTERSVILLE, N. C.

Agricultural Economics

Ag. Club; Y. M. C. A.; R. O. T. C. (1, 2, Sergeant 3); Intramurals (1, 2, 3); New Student Committee.

BRUCE BERNARD BLACKMON
BUIES CREEK, N. C.

Animal Husbandry

Ag. Club (Secretary); Glee Club; Y. M. C. A.; B. S. U. Council (Treasurer 2, President 3); Campbell Junior College; *Baptist Bits* (Editor); World Student Service Fund Committee.

WILLIAM JOSEPH BONEY, $\Sigma \Phi E$
WILMINGTON, N. C.

Architectural Engineering

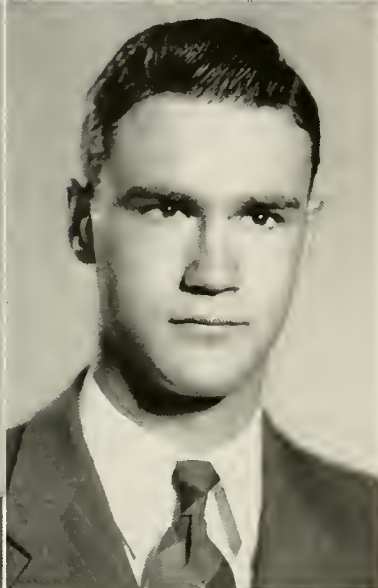

Interfraternity Council (4); Engineers' Council (4); Beaux Arts Society (1, 2, 3, 4); Publicity Chairman (3); Tennis (1); Pledge Dance Committee, 1943.

JOHN DOUGLAS BOONE
PENDLETON, N. C.
Chemical Engineering
A. I. Ch. E.

EDWARD PETER BREUER
GREENSBORO, N. C.
Industrial Engineering

Y. M. C. A.; Engineers' Council; President of Society for Advancement of Management; Aquinas Club.

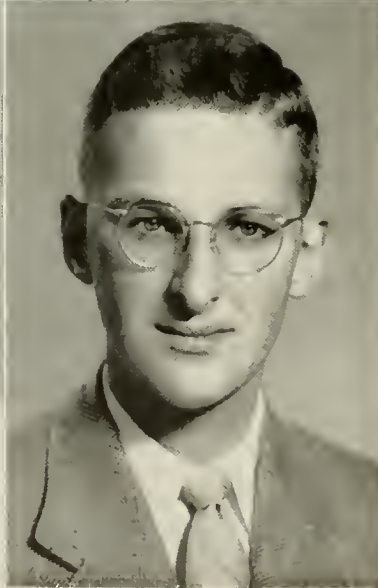

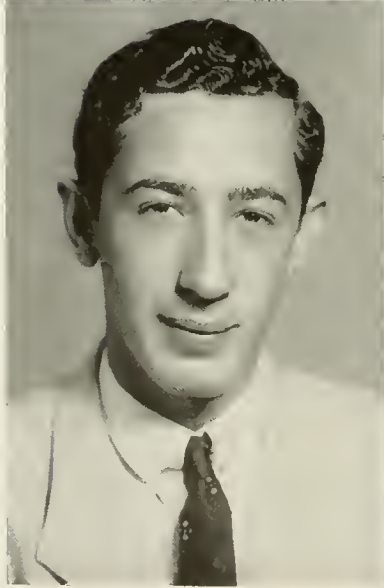

EUGENE LEROY BRIGGS, JR., ΣX
HIGH POINT, N. C.
Mechanical Engineering

Pi Tau Sigma; Tau Beta Pi; Pine Burr; A. S. M. E.; Engineers' Council; AGROMECK (Art Editor).

BEN EARL BRITT
GARNER, N. C.
Poultry Science

Ag. Club (1, 2, 3, Vice-President 4); 4-H Supper Club (2, 3); Y. M. C. A. (1, 2, 3); Glee Club (3); Life Saving Corps (3, Captain 4); Swimming Team (4); Student Assembly (4); Baptist Student Union.

ARNOLD BROTMAN
NEWARK, N. J.
Textiles

Tompkins Textile Society; R. O. T. C. (1, 2, Sergeant 3); Textile Forum (2, 3); *Technician* (4); Publications Key; Student Legislature (1, 4).

WILBUR EVANS CAMPBELL
ST. LOUIS, MO.
Architecture

Companion of St. Patrick; Pi Kappa Delta; Baptist Student Union (President 4); Beaux Arts Society.

E. LITCHFIELD CARTY, Σ II
DURHAM, N. C.

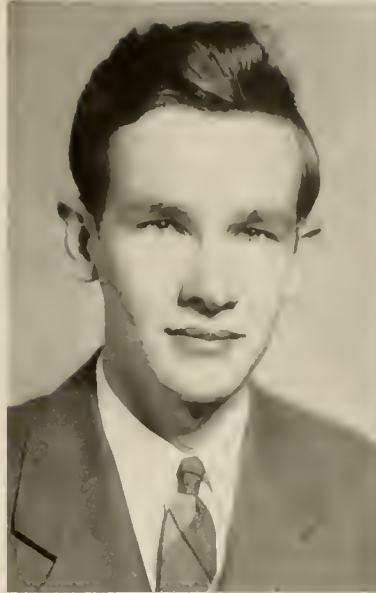

Electrical Engineering

American Institute of Electrical Engineers; N. C. State Radio Club.

EDWARD MORRIS CHISHOLM, A A T
FREDERICK HALL, VA.

Civil Engineering

Theta Tau; A. S. C. E. (Treasurer 4); Y. M. C. A. (1); Track (3); Intramurals—Softball (1, 2), Football (1, 2, 3, 4), Boxing (4); R. O. T. C. (1, 2); Student Legislative Assembly (4).

EDWIN DEXTER COX, Σ X
CHARLOTTE, N. C.

General Engineering

Tau Beta Pi (Vice-President 4); Phi Kappa Phi; Phi Eta Sigma; Pine Burr Society; Keramos (Secretary); Red Coat Band (1, 2); President Sigma Chi Fraternity; Engineers' Council; Interfraternity Council; Y. M. C. A. Cabinet; Knights of St. Patrick; Summer School Student Government Committee (Chairman 4); Chairman Pledge Dance Committee (4); Outstanding Senior Engineer Award; Gamma Sigma Epsilon Chemistry Scholarship Cup; J. C. Steele Scholarship Cup; Moland-Drysdale Corporation Scholarship Cup; Student Legislative Assembly.

JOHN MARSHALL CULP, JR., II K A
CHARLOTTE, N. C.

Chemistry and Dyeing

President Interfraternity Council; Tompkins Textile Society; American Association of Textile Chemists and Colorists; Football (1, 2, 3, 4); Wrestling (1, 2); Track (2); Social Functions Committee; Student Welfare Committee.

HARVEY DARRELL DAVIS
ASHEVILLE, N. C.

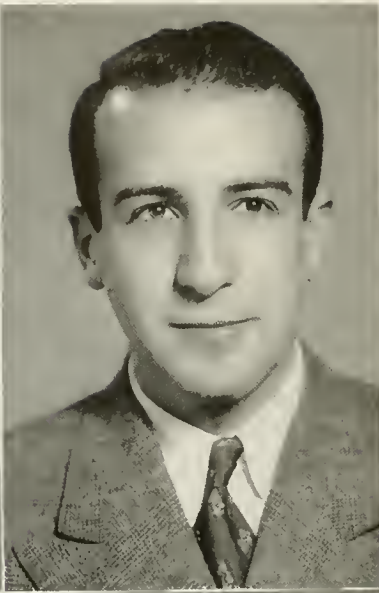

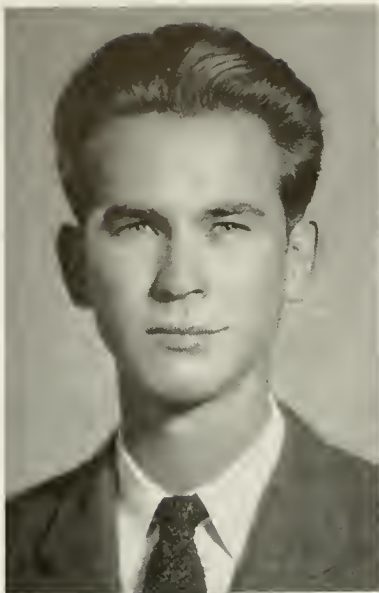

Chemical Engineering

Y. M. C. A.

C. T. DEAN, JR.
LOUISBURG, N. C.

Agricultural Education

CHARLES J. FETNER, $\Sigma \Phi E$
HAMLET, N. C.

Chemical Engineering

Gamma Sigma Epsilon; A. I. Ch. E.; Monogram Club (Secretary 4); Baseball (1, 2, 3, 4); Monogram Club Dance Committee.

BERNARD FISHBEIN
NEW YORK, N. Y.

Agriculture

ARTHUR LOUIS FRIED, A A T
STAATSBURG, N. Y.

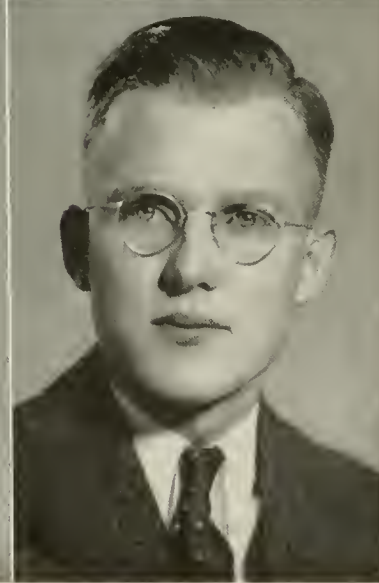

Chemistry and Dyeing

Tompkins Textile Society; Interfraternity Council (4); Student Government (1); Intramurals (1, 2, 3, 4); *Wataogan* (1, 2, 3); Pledge Dance Committee.

ARTHUR HAROLD GIBBS, A A T
ENKA, N. C.

Textile Manufacturing

Phi Psi (Vice-President 4); Sigma Tau Sigma; Upsilon Sigma Alpha; Tompkins Textile Society; *Textile Forum* (2, 3, Editor 4); B. S. U. Council (4); R. O. T. C. (1, 2, Staff Sergeant 3).

WILLIAM JACKSON GOODRUM
GREENVILLE, N. C.

Chemical Engineering

Theta Tau (Scribe 4); A. I. Ch. E. (Vice-President 3); AGROMECK (1, 2, 3, 4); Knights of St. Patrick; President Summer School, 1942; Alternate Representative Engineers' Council (4); Y. M. C. A.; *Southern Engineer* (1, 2, 3); Chairman Publicity Committee; Engineers' Council.

ARCHIBALD BERNARD GOODSON
MOUNT OLIVE, N. C.

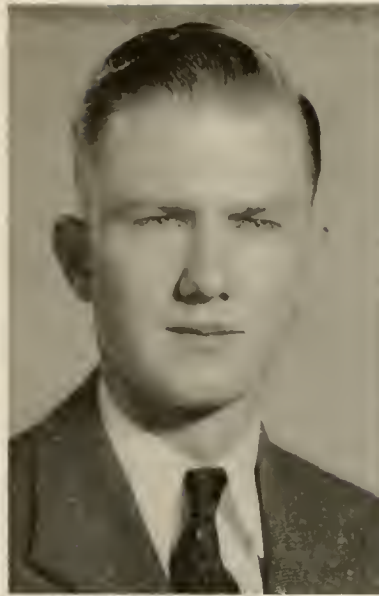

Electrical Engineering

A. I. E. E.

KENNETH WAYLAND GOODSON
MOUNT OLIVE, N. C.

Aeronautical Engineering
I. Ae. S.; R. O. T. C. (1, 2).

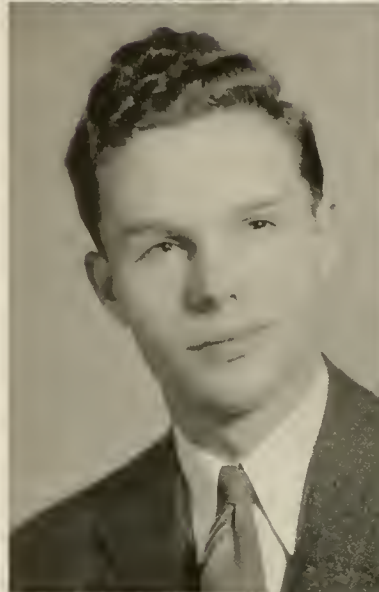

FRED EDWARD GORTER, II K Φ
ENKA, N. C.

Chemical Engineering
Sigma Pi Alpha; Biltmore College (1, 2).

HAROLD HENRY GOSLEN, A A T
KERNERSVILLE, N. C.

Chemical Engineering
A. A. T.; A. I. Ch. E. (2, 3, 4); Track (3, 4);
Transferred from Elon.

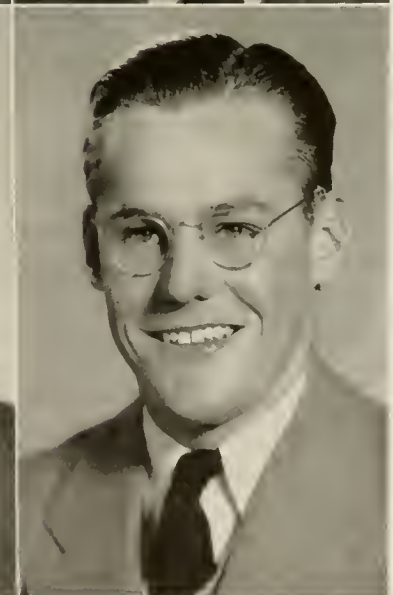

BENJAMIN WAYNE GREENE, Σ X
ELIZABETHTOWN, N. C.

Aeronautical Engineering
Sigma Chi; Tau Beta Pi (President 4); Golden
Chain; Blue Key; Pine Burr; Student Council (2);
Sigma Pi Alpha; Phi Eta Sigma; Phi Kappa Phi
(Vice-President 4); Thirty and Three; Companion to
St. Patrick (1); Knights of St. Patrick (4); Phi
Kappa Phi Awards (1, 2); Tau Beta Pi Awards (1,
2); Editor 1944 AGROMECK; Student Welfare Com-
mittee.

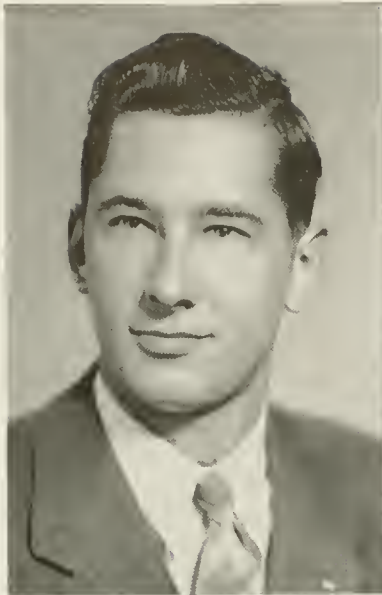

JAMES ARTHUR GROSE, JR.
FOREST CITY, N. C.

Field Crops
Ag. Club (Treasurer).

WALTER WATSON HARPER, Σ Φ E
TARBORO, N. C.

Civil Engineering
Sigma Phi Epsilon; Theta Tau; Pan-American Club;
Executive Committee; Inter-Dormitory Council (3);
President Senior Class; Secretary A. S. C. E.; Student
Assistant in Economics; President Fourth Dormitory
(3); Student Legislative Assembly.

OTTO ROBERT HECHT
NORLINA, N. C.

Agricultural Education

Ag. Club (1, 2, 3, President 4); Future Farmers of America; Future Teachers Club; Y. M. C. A.; Social Functions Committee; Chairman Membership Committee of Student Legislature; Member Foreign Relations Committee; Lab Instructor in Farm Meats.

JAMES ALOYSIUS HEFFERNAN, A A T
LITTLE NECK, N. Y.

Civil Engineering

American Society of Civil Engineers; Student Council; Theta Tau; Association of General Contractors; Aquinas Club; Intramurals (1, 2, 3, 4); *Wataogan* (1); R. O. T. C. (1, 2).

FREDERICK BYRON HENDRICKS, JR.
CHARLOTTE, N. C.

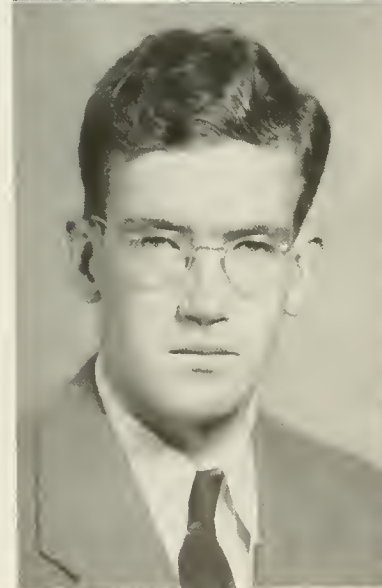

Civil Engineering

American Society of Civil Engineers.

WILLIAM JAMES HILDITCH
NIAGARA FALLS, N. Y.

Chemical Engineering

American Institute of Chemical Engineers.

CHARLES URQUHART HILL, JR., Σ II
CHARLOTTE, N. C.

Textile Manufacturing

Pbi Psi; Tompkins Textile Society; Interfraternity Council; *Textile Forum* (3); United War Fund (4); Guilford College (1, 2).

PAUL FELIX HILTON, A K II
NEW YORK, N. Y.

General Engineering

Sigma Pi Alpha; Society of General Engineers.

HAROLD W. HINSHAW
WINSTON-SALEM, N. C.

Forestry

Y. M. C. A.; Reception Committee (2); Forestry Club (1, 2, 3, 4); Rolleo (1, 2, 3, 4); Scout Leader (4, 5).

ROBERT A. HOLCOMBE, A Γ P
TEANECK, N. J.

Forestry

Pine Burr Society; Y. M. C. A.; *Pinetum* (2, 3, Editor 4); Tennis (1); Forestry Club (1, 2, 3, Publicity Chairman 4); Publications Board (4).

PAUL NOBLE HOWARD, JR., Σ X
CHARLOTTE, N. C.

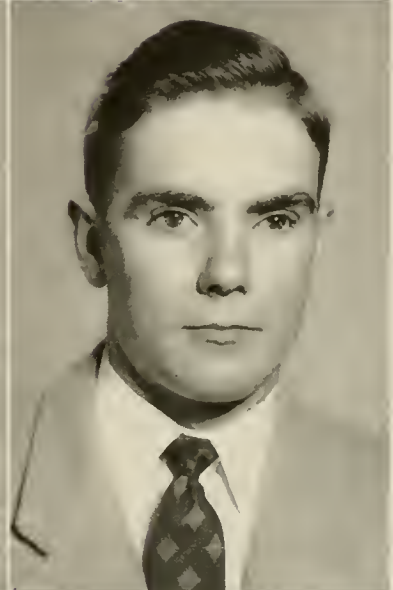

Civil Engineering

A. S. C. E.; A. G. C.

RICHARD KENNEDY JARRELL, Σ X
CHARLOTTE, N. C.

Mechanical Engineering

Pi Tau Sigma (Secretary 4); Wrestling (1); A. S. M. E. (2, 3, President 4); Engineers' Council (Secretary 4); AGROMECK (4); R. O. T. C. (1, 2); St. Patrick Ritual Committee.

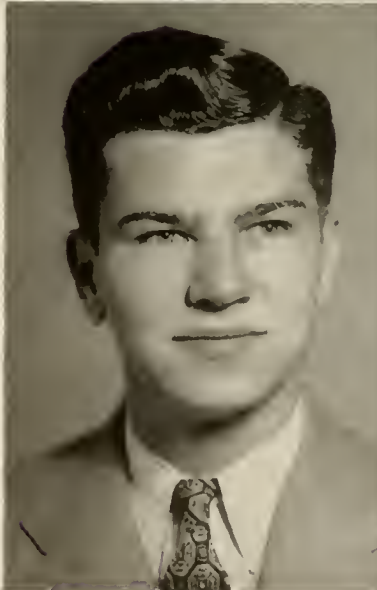

HENRY J. JAWORSKI, A X A
ROCHESTER, N. Y.

Aeronautical Engineering

MYATT BERNARD JOHNSON
BAHAMA, N. C.

Aeronautical Engineering

Theta Tau; Basketball (4); Baseball (4); Senior Class Secretary-Treasurer; Monogram Club (4).

GEORGE NEVITT JONES
RALEIGH, N. C.

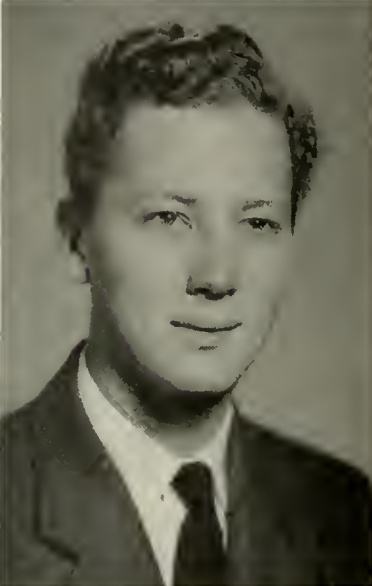

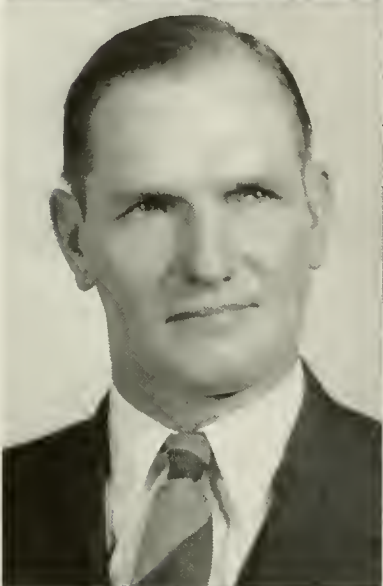

Aeronautical Engineering

Institute of the Aeronautical Sciences; R. O. T. C. (1, 2).

JOSEPH HENRY JONES, JR., ΣX
JERSEY CITY, N. J.

Chemical Engineering

Gamma Sigma Epsilon (President 4); Monogram Club (3, President 4); Inter-Honor Council (President 4); Knights of St. Patrick; Tennis (1); Track (1, 2, 3); *Watawan* (Collection Manager); Chairman Homecoming Dance Committee.

TERRELL A. JONES
POLKTON, N. C.

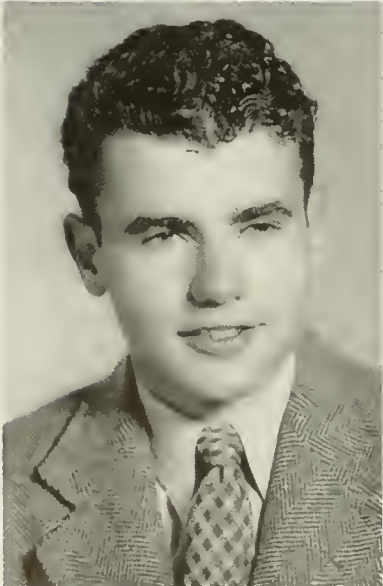

Agricultural Education

Ag. Club.

BOOK TWO

The Corps

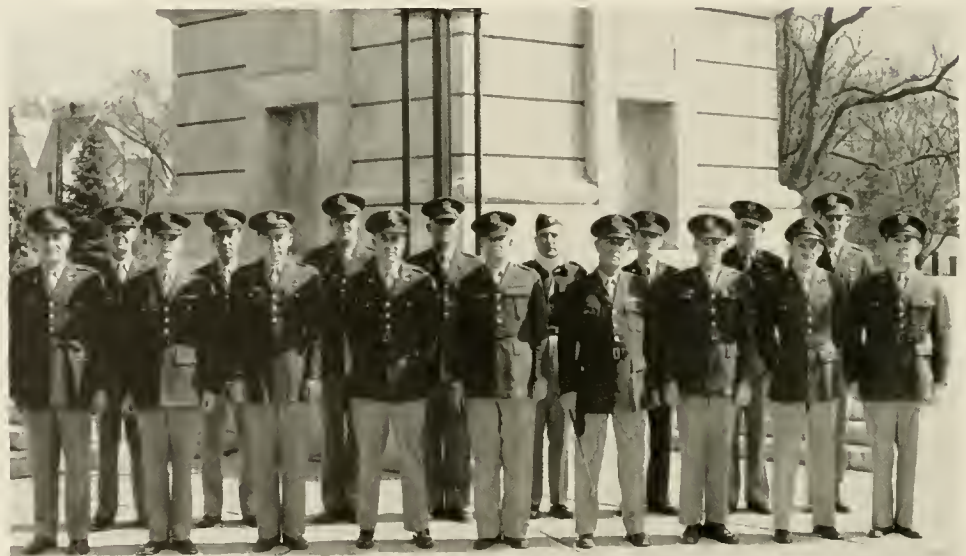

COLONEL D. N. McMILLIN

THE MILITARY DEPARTMENT

With the United States in the world's greatest conflict, men of North Carolina State are doing their part on every battlefield on the face of the globe. The Reserve Officers Training Corps at N. C. State helped train these heroes of World War II, and now in time of emergency the R. O. T. C. is continuing to carry on its work in the class rooms and on the drill field.

It is the purpose of the Student Government to handle all matters of student conduct, honor, and general student interest; and to promote in campus life self-control, personal responsibility, and loyalty to the college and to the student body. Every duly registered student of N. C. State College automatically becomes a member of the Student Government and is subject to the jurisdiction of its legislative branches. Each undergraduate at the time of his enrollment must sign a pledge accepting his part in the Student Government and pledging his support to the cause.

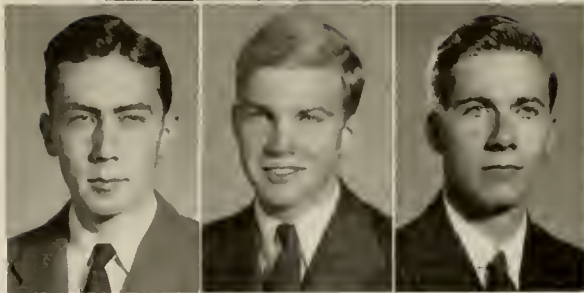

The article of the Student Government had its origin at this college in 1921. Since that time there have been revisions made in order that changing conditions and needs might be adequately coped with, but the principles of student participation have remained unchanged. The Student Government is valuable to the students in that it develops a sense of responsibility in the student and trains him along lines which are conducive to good citizenship.

STATEMENT OF PURPOSE

To lead students to faith in God through Jesus Christ.
 To lead them into membership and service in the Christian Church.
 To promote their growth in Christian faith, especially through the study of the Bible and prayer.
 To influence them to devote themselves in united effort with all Christians to making the will of Christ effective in human society and to extend the Kingdom of God throughout the world.

The Pine Burr Society was founded at North Carolina State College in 1922. Pine Burr is a scholarship fraternity, and in addition to being solely a State College organization, is the first and oldest all-college honorary fraternity on the campus.

Membership in Pine Burr is a much coveted honor. Members of Pine Burr are selected from the entire student body who have not failed a course in college, who have a scholastic average above eighty-five per cent, and who have been at State College for two years. Also, the student must be active and prominent in some extra-curricular activity.

Pine Burr Society has three objectives, namely, the encouragement of high standards of scholarship, the development of leadership, and the preservation of the history of the college.

Organized in 1926, the Engineers' Council is made up of student representatives from the professional engineering societies of the various departments in the School of Engineering. Since State College entered the war, the main purpose of the Engineers' Council is to keep all of the technical societies in the School of Engineering functioning. It tops the year with the Engineers' Brawl, The Knighting of Saint Patrick, and the annual presentation of the award to the most outstanding senior in engineering.

The North Carolina State College branch of the Institute of the Aeronautical Sciences has been very active this year. Meetings are held bi-weekly at which time movies and discussions concerning aeronautics are held. In this way the members are given a more extensive knowledge of the rapidly changing problems of the aeronautical engineer. The organization is composed of upperclassmen as members and third term freshmen associate members.

The American Society of Civil Engineers is the oldest national engineering society in the United States, having been founded in 1852. Its objects are, "The advancement of the sciences of engineering and architecture in their several branches, the professional improvement of its members, the encouragement of intercourse between men of practical sciences, and the establishment of a central point of reference and union for its members." The student chapter strives to help the young engineer attain a more professional attitude toward his work and to bring closer coöperation and fellowship between faculty members and students.

Membership in the local student chapter is open to all upperclassmen in civil engineering.

Before the acute manpower shortage the Pratt & Whitney Aircraft Engine Company had the foresight to start a training program for young women college graduates at various technical schools. These young women were selected from different graduating classes all over the country, and sent to certain technical schools where Pratt & Whitney had established training centers. The training program here at State College specializes in mechanical engineering and is ably directed by Dr. Wm. G. Van Note, Professor of Metallurgy. Their one year's special training here is meant to serve only as a general engineering background, and upon leaving here the Pratt & Whitney Fellows will go into advanced training in the production plant. Eventually they will work with and replace production engineers in our country's fight for freedom.

This year Tompkins Textile Society is the only active organization for the textile students. The society is a professional organization which was founded at State College a few years ago for the purpose of having a place where students might discuss textile problems and the latest methods developed by the industry. Meetings are held twice a month at which time prominent men experienced in the varied fields of the industry address the society. In this manner students obtain much valuable information.

During the spring term each year Tompkins Textile Society takes an active part in conducting a style show and student exposition. Girls from various colleges throughout the state model dresses made of material which is dyed, designed, and woven by State College students.

Membership in the Monogram Club is open to those students who have earned one or more monograms for their success as athletes in North Carolina State's varied athletic program. The Monogram Club sponsored its Annual Monogram Dance with other functions being suspended for the duration. The purpose of this club is to promote better athletic programs and to establish a closer contact among its members.

Sigma Nu originated from the Legion of Honor, a secret society organized in 1868 at the Virginia Military Institute. The four founders were moved by idealistic hopes, and they founded a society which would inculcate honor and mutually benefit its members. Since its founding the fraternity has prospered and at the present time, there are 98 active chapters throughout the country. It is the oldest fraternity at State College, Beta Tau chapter having been installed here in 1895. The purpose of its founders was "to establish through the warm friendships of a group of congenial college men, on the foundation stone of honor, ideals of intellectual achievement, character, and social development, all to the end of becoming better men and better citizens."

On March 1, 1868, Pi Kappa Alpha fraternity was founded by six students at the University of Virginia. These six men had long been close friends, going through the Civil War together. Wishing to perpetuate their friendship they founded the Pi Kappa Alpha fraternity. Pi Kappa Alpha has always encouraged scholarship, maintained a high spirit of fraternalism among its members and engaged in all college activities in a sporting manner. The colors are garnet and gold and the flower is the lily of the valley. Since Pi Kappa Alpha's birth at the University of Virginia, it has prospered until chapters are at all the leading colleges and universities of the country: until now there are seventy-four active undergraduate chapters and eighty-four alumni chapters.

Sigma Phi Epsilon, national social fraternity had its inception at Richmond College (now University of Richmond) in Richmond, Va., on November 1, 1901. It was organized by six friends gathered together as a purely social organization and known as the Saturday Night Club. The principle of good fellowship was the keystone. There are now 70 active chapters throughout the country with a total membership of over 24,000 members. The local chapter was the thirteenth chapter installed in the country, on March 4, 1905.

Delta Sigma Phi, national social fraternity, was founded at the College of New York City on December 10, 1899. There are now fifty chapters, totaling a membership of some eight thousand. Thirty-nine chapters own their own homes, with a total valuation of \$950,000. There are twenty-one alumni chapters. On May 10, 1915, Rho Chapter was installed at N. C. State College. This chapter was formed from a local organization, Gamma Alpha Nu Gamma, commonly known as the Gang. This was an organization of three years' standing. The fraternity observes a conservative expansion policy. Petitioners must meet legitimate scholarship, chapter organization, and house ownership requirements. Membership is limited to men of the white race whose ideals and beliefs are those of modern Christian civilization.

Pi Kappa Phi was founded at the College of Charleston in South Carolina, December 10, 1904. It was a concrete and permanent result of a friendship that had flourished since the elementary school days in the environs of one of the South's oldest towns. With the definite purpose of extending the influence of the organization, the incorporations as a national fraternity took place in 1907. From the inception, the growth of the fraternity has been steady and consistent. The purpose of the fraternity is "to promote fellowship and mutual trust among its members, to uphold the traditions and ideals of the college where its chapters are located, to encourage excellence in scholarship, and to inculcate in its members the highest ideals of Christian manhood and good fellowship."

Sigma Pi, national social fraternity, was founded at Vincennes University, Vincennes, Indiana, February 26, 1897. The purposes of its founders were "To organize the most worthy activities, social, athletic, and scholarly, and to set a high standard of manliness and college loyalty." The fraternity now has thirty active chapters located in eighteen different states. Twenty-four chapter houses are owned by the fraternity, representing an original investment of \$650,000, exclusive of furniture, and so forth. Rho Chapter was installed at State College in 1921. The chapter owns its own chapter house located at 2513 Clark Avenue. During the past year, Rho Chapter won the Blue Key-Golden Chain Homecoming decoration trophy.

Founded at Boston University in 1909, Lambda Chi Alpha has expanded until it now has one hundred and nine active chapters. These chapters are established at most of the prominent colleges and universities throughout the country. Lambda Chi Alpha employs two full-time traveling secretaries who visit the chapters and maintain their contact with the general fraternity. The "*Cross and Crescent*" is the fraternity magazine and is published seven times annually. "*Delta Pi*," the secret magazine, is published quarterly. The "*G-U-Growler*," the news letter of the local chapter to its alumni, is put out quarterly. Other Lambda Chi Alpha chapters in this state are located at Duke, Wake Forest and at the University of N. C. Every year these chapters, together with the State College chapter, have "get-togethers" in the form of track meets, picnics, dances and house parties.

Alpha Lambda Tau was founded at Oglethorpe University in 1916. It was the first fraternal organization at that institution following its reorganization in the same year. Originally formed as the Alpha Lambda Club, it was later decided that the fraternity should become a national order, and was incorporated under the laws of the State of Georgia as Alpha Lambda Tau. There was at first an idea that the fraternity would never go north of the Mason-Dixon line, but this was disproved in the 1927 national convention, at which a charter was granted to a group at the University of Illinois. Zeta chapter was installed at North Carolina State College on January 22, 1925. Since that time it has grown steadily and its members have taken an active part in campus affairs. These are alumni chapters located in many of the larger cities. The chapter owns its own house which is located at 10 Enterprise Street.

Sigma Alpha Mu was founded at the College of the City of New York on Thanksgiving Eve, November 26, 1909. The object of the fraternity as written in its constitution is "to form a close social and fraternal union of Jewish students of the various universities, colleges and professional schools in America; to foster and maintain among its sons a spirit of fraternity, a spirit of mutual moral aid and support; to instill and maintain in the hearts of its sons love for and loyalty to Alma Mater and its ideals; to inculcate among its sons such ideals as will result in actions worthy of the highest precepts of true manhood, democracy and humanity." The State College chapter of Sigma Alpha Mu is the outgrowth of a local Jewish fraternity, Theta Phi, which had its beginning in 1929. From its beginning the fraternity has maintained high standards of scholarship and conduct.

Sigma Chi Fraternity was founded at Miami University, Oxford, Ohio, on June 28, 1855. It was the nineteenth college fraternity to be founded, and the third to be founded at Miami University. Today, Sigma Chi consists of 103 active chapters, and 98 Alumni chapters. Its chapter houses exceed \$3,370,000 in value, and it has assets of approximately \$480,000. The Sigma Chi chapter at North Carolina State College was installed on May 15, 1943, after two years' existence as a local fraternity known as Chi Sigma. This year was highlighted by the first annual Sigma Chi Sweetheart Ball given in the Hotel Sir Walter.

FOOTBALL

The 1943 fighting Wolfpack was a young, unpredictable, colorful, and almost wholly a freshman combination. In a big way, they contributed their significant part to keep college football alive for the benefit of service, civilian, and student morale. Not one of this 35-man civilian squad had ever played in any gruelling varsity game before. Coach Newton's eleven went on the field each Saturday against teams possessing more weight, age, and experience. But no matter how strong the opponent, they never held an advantage over the Wolfpack in spirit or determination. For this, we are proud. The boys in red won three games this year, and had Fate been more generous, they could have added two more victories. Some of the players were weekly stars, others earned their moments of glory, and many did their jobs well and perhaps unnoticed. With their inborn courage and potential ability, they'll be the mainstays for the hell-for-leather Wolfpack teams of the future.

FOOTBALL

STATE 18; APPRENTICE SCHOOL 0

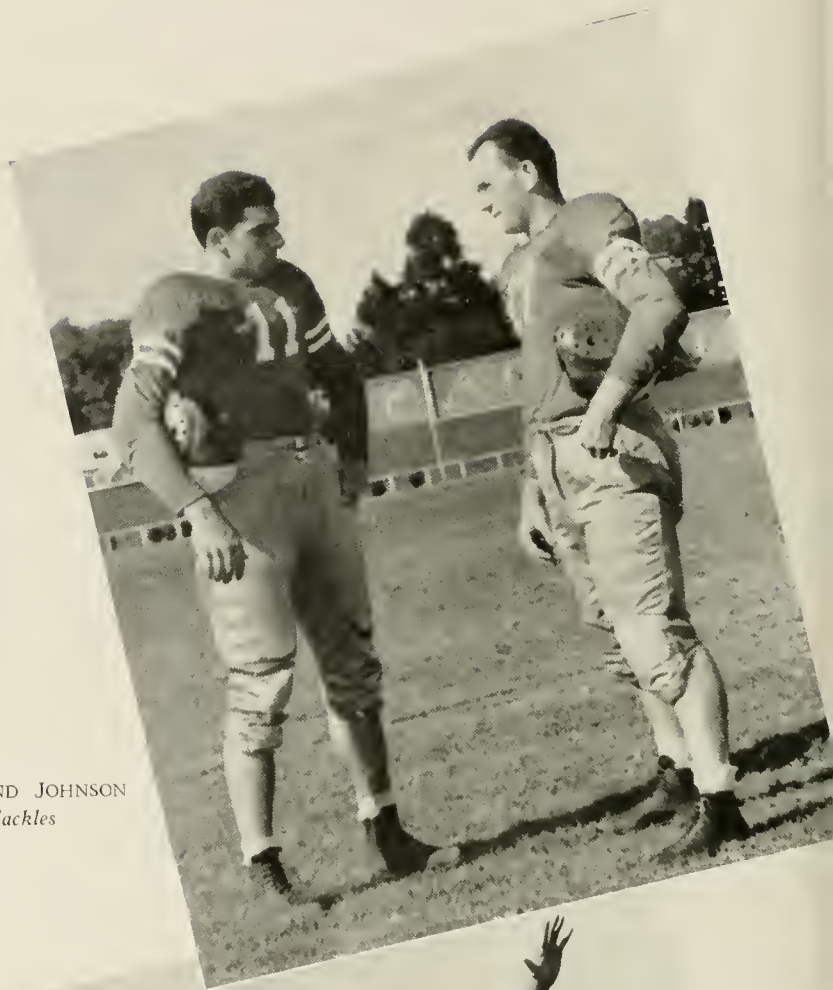

The young Wolfpack team played very well indeed in their first college game. In the first quarter, they hiked 50 yards for a score with Buck Sutton carrying the ball over. The second tally came after Zick recovered a fumble on the enemy's 22. Howard Turner flipped a pass to Fred Swartzberg to conclude the brief scoring thrust in the third period. Recovery of a second fumble gave Coach Newton's alert Wolves the pigskin on the Virginians' 34. Again Turner passed to Swartzberg for a touchdown. Sutton had bad luck attempting his placements. The 16-year-old Swartzberg and 18-year-old Turner were the stars.

STATE 7; CLEMSON 19

The Wolfpack lost its first game in Charlotte against a tough Tiger eleven from South Carolina. Clemson jumped ahead with a pass-scoring touchdown. Triple-threat Howard Turner engineered a comeback by flipping a 20-yard aerial to Buck Sutton and then by scampering over tackle for 15 yards to score the tying marker. Sutton made the conversion to give State the lead, 7 to 6. A blocked punt and a one-man drive by the Tiger star, Butler, gave the opponents two goals and a victory. The statistics favored the Wolfpack all the way. Outstanding for the Big Red were Howard Turner and Charles Novick.

CAROLINA GAME

CAROLINA GAME

STATE 0: CAMP DAVIS 27

One of the finest service teams in pig-skin combat, Camp Davis, trounced the light Wolfpack eleven. The Blue Brigade started fast and effectively by tallying twice in the first quarter. For the next two periods, neither side could complete a scoring thrust. Bob Andrews kept the soldiers back with some booming punts. He and Turner used the air lanes for goal-shy 'Pack advances. In the last stanza, the soldiers rolled up another pair of scores. This game was one of the two white-washings our boys took all year.

STATE 6: WAKE FOREST 54

Wake Forest and their squad of numerous college transfers drubbed the first-year men of the Wolfpack in Riddick Stadium before 9,000 fans. Two touchdowns to one was the Deacons' margin until the middle of the third period. Our score came in this quarter after a lengthy 73-yard parade featuring Sutton, Turner, Gibson, and Swartzberg with Sutton diving one yard for the marker. Previously, two State advances had ended on the Deacons' 24 and one. The tired but game boys in red could not stop the late scoring spree of the enemy. Paul Gibson, Sutton, and Turner gave the best performances.

STATE 7; GREENVILLE AIR BASE 6

Big Buck Sutton was the star of this close contest. The fullback was 215 pounds of energetic brawn in leading the way for the opening period score. From the Jay Birds' 45, he carried the ball on every play except one and finally crashed into pay dirt to score. He kicked the game-winning point. The South Carolinians scored on a pass in the second quarter. Both teams threatened several times during the last half. Sparking this triumph were Buddy Ivey, Tony Gaeta, and Sutton.

STATE 13; CAROLINA 27

The Wolfpack put on a colorful finish against the potent Navy V-12 Tar Heels. For most of three quarters, it was all Carolina. Teague and Miller, ex-State stars, helped to lead the way against their Alma Mater. Turner got his sling-shot arm busy and the 'Pack was on the offensive. Twice in the last period they crossed the double stripe and barely missed a third time. Joe Pizzurro ran an intercepted pass back 22 yards to the "Chapel College" 43. From here, Turner pitched aerials to a quartet of receivers to reach the 4. Sutton crashed into "promise land" for the goal. The second six-pointer came after a 70-yard aerial

assault. Novick, Fitzgerald, and Pearce were catching Turner's heaves with Pearce grabbing the climatic touchdown fling. Sutton converted for the scrapping Wolfpack's final point.

STATE 0; DUKE 75

The Blue Devils ranked from third to fifth in the nation among the gridiron greats and consequently the boys in red were no match for their powerful opponents. Perhaps injuries to Sutton and others and their strenuous schedule accounted for the ineffectiveness of the Wolfpack. This was the worst defeat a State eleven has ever suffered. Turner and Gaeta bore most of the defensive efforts. May the men of State avenge this defeat.

STATE 20; DAVIDSON 0

On the rebound was the Wolfpack as they walloped the Wildcats in Charlotte. Turner was the "golden boy" of this fracas for passing to Grafton Pearce for two touchdowns and scoring the third himself. In the second canto, Pearce caught a 22-yard pass to begin the scoring. Zick converted. Shortly after, Turner again threw to Pearce, this time 29 yards for a tally. Andrews passed to

Novick for the point. After the half, Turner swivel-hipped 16 yards to go across the goal line. The Wolves gained 287 yards rushing and made 17 first-downs to dominate the play. Aiding Turner and Pearce were Andrews, Gibson, Philmon, and Madak.

STATE 7; N. C. PRE-FLIGHT 21

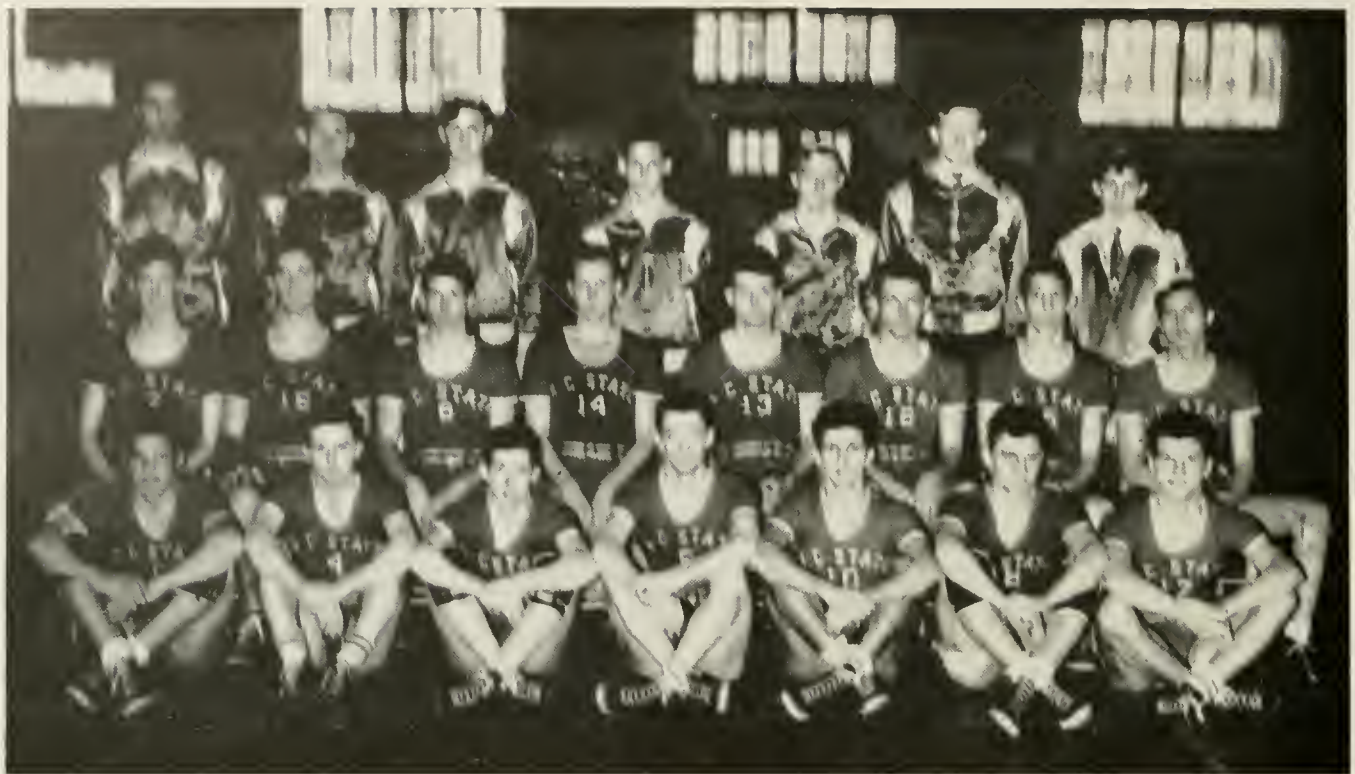

Howard Turner and his teammates let themselves go for this thriller but they couldn't beat the Cloudbusters' breaks. The Wolfpack had an overwhelming advantage in every department of the game except the rather important one of collecting touchdowns. A tough break occurred when the red-shirted boys reached the Navy one and four downs to go before the half ended. They were on the fliers' 9 in the third quarter before Mauro fumbled. Trailing 21 points, State marched 70 yards to score in the final quarter. Lou Mauro punched the ball over and Zick placekicked the point. Later another 'Pack drive was halted on the Buster 17. Turner played his finest all-around game. Novick starred in the line. Mauro, Andrews, Hayes, and Gaeta shared the limelight in this Turkey Day affair.

Fred Miller and Eddie Teague, stars of the 1942-'43 Wolfpack who this year played for Carolina under the Navy V-12 program.

State	32	Duke	40

BASKETBALL

One letterman, a few upperclassmen, and a flock of freshmen made up the 1944 basketball squad. Coach Leroy Jay found, as other State coaches had, that his material was young and inexperienced. But he and his boys were ambitious and worked diligently in preparation for the 16-game schedule. To learn and develop offensive and defensive tactics, to become accustomed to each other, and to perform as a smooth-clicking unit, Coach Jay and the Red Terrors had a mountainous task for undertaking.

Logical thinkers expected no miracles. The Terrors played eccentrically at the beginning. However, they acquired skill to combine with their fight and concluded the season with obvious potency.

Veteran Keith Almond started at forward. At the other forward, grid star Howard Turner was an anchor. M. B. Johnson and Fred Swartzberg handled the pivot spot. High scorer Stan Kohler and Bill Carpenter were the first string guards. Contributing much support to these men were Henry Jaworski, Wayne Jackson, C. G. Dawson, John Castleberry, Lou Furches, Bob Edwards, George Sakas, Lou Mauro, and W. L. Hall.

The Red Terrors were playing for much needed experience when they opened with three pre-Christmas games with potent service fives. The Cherry Point Marines and Seymour Johnson Field were too much for the State quintet. In the contest with Camp Butner, Coach Jay's rookies dropped a close 43-38 affair. The Terrors put on a strong finish after trailing 24-12 at halftime. Turner, Kohler, and Almond did most of the scoring in these games.

After the holidays, the Fort Bragg team invaded Raleigh to help State inaugurate the home season. Many ex-Terror stars were in the soldiers' line-up including Bones McKinney, Ray Smith, Stu Flythe, and Sam Womble. The first half was a see-saw battle with the Red Terrors behind 24-21 at intermission. But McKinney's sharpshooting in the second period was too much for the home team and the Reception Center won 51-37. Kohler and Almond paced State's scoring.

In Chapel Hill, the White Phantoms of Carolina outclassed the inexperienced Red Terrors in a slowly played contest. Bernie Mock, ex-Terror captain and Marine trainee at U. N. C., starred against his Alma Mater.

At home, Coach Jay's five chalked up their first win of the season. Camp Butner was the victim in a nip and tuck thriller 43-42. The soldiers rallied for 8 points to tie up the game 40-all with two minutes left to play. Before the final whistle, Dawson sank a field goal and Jaworski collected a free toss. Carpenter was high scorer for the night with 13 points. Kohler and Almond were other chief point-makers as State got revenge for a previous loss.

The Red Terrors began a five-game losing streak at the expense of some top-flight opposition. They dropped two home games, one to the high-scoring N. C. Pre-Flight and another to the conference champions, U. N. C. Against Carolina, State gave a scrapping performance. Kohler's uncanny shooting narrowed the Phantoms' wide first-half margin. The visitors finished strongly as the Terrors were gambling with everything to win.

In Salisbury the North State Conference champions, Catawba, handed the erratic Red Terrors a 48-36 defeat. Duke took the next home game 60-36. The

opening half was a rousing affair but the Blue Devils pulled away from the inexperienced Terrors midway of the final period.

State's defensive play was improving but not enough to keep the towering N. C. Pre-Flight five from winning 46-31. Turner fired 13 points and Swartzberg 9. Two Ivey League wizards, Myers and Palmer, were tops in the Cloudbuster attack.

While the Red Terrors' ball handling was below par, their shooting and defensive play was not, and consequently, they overpowered Catawba 42-22. The team showed gratifying responsiveness to Coach Jay's painstaking tutelage. Carpenter, Almond, and Kohler bagged 11 points apiece.

State won their second straight game in the Frank Thompson Gymnasium by trouncing the Davidson Wildcats 42-33. It was in this contest that the Red Terrors really performed with collegiate finesse. The Wildcats possessed an impressive won-lost record but Turner, Kohler, and Carpenter were shooting

accurately to upset the visitors. Swartzberg played a sparkling defensive game.

Duke was still a forceful quintet when they licked the Red Terrors in Durham 53-32. A tightly set defense held the Blue Devil sharpshooters to a two-point advantage in the initial half. As the last half progressed, Duke found the range and hit the basket regularly to accumulate a commanding lead. Almond, Dawson, and Swartzberg featured in the defensive play while the latter mentioned and Turner led the scoring.

The Red Terrors traveled to Davidson for a pair of games to conclude the regular season. In the first game, Lowery sank 21 points for the Wildcats' 41-27 triumph. Kohler and Almond bagged 12 and 9 points respectively for State. In the final game, the Terrors really turned on the heat to win 54-31. Kohler bucketed 17 points and Turner 16. Thus, the Terrors won three of their last five games and were selected to play in the Southern Conference Tournament.

In the opening round of the tournament in Raleigh, the Terrors flattened the

Old Liners of Maryland 42-23. State was rocking and rolling from the beginning by spurting for a 10-0 lead. Great defensive work by the Red Terrors gave them a wide 19-7 margin at halftime. They maintained their effectiveness throughout the game. Turner and Swartzberg were high scorers in State's sparkling triumph.

Duke, the tournament champions, edged out a 40-32 victory over Coach Jay's battling Red Terrors. Trailing the star-studded Navy V-12 Dukes at one time 22-4, State seemed hopelessly doomed. But the outlook of the game completely reversed itself as State narrowed the wide gap to 28-16 at intermission. The last half saw the boys in Red and White play their finest court game of the season. Even with Kohler out with a leg injury, the Terrors put on a great show by outscoring the Blue Devils 16-12. Swartzberg and Turner were again the big noises of State's tournament play. All of the Terrors were doing some fancy ball hawking to extend the champions to the limit.

TRACK

When Coach Herman Hickman looked over the candidates for the 1943 track team, groans and cheers were forthcoming. Mike Andrews, State's greatest track performer, left for the Army. Leaving with the high scoring Andrews, were lettermen Ed Jones and Ben Coble. Captain Peyton Holloman and several promising newcomers supplied a silver lining for the coming track season.

The State cindermen won two and lost three for the season. They were consistently strong in the shot put, 100, 220, low hurdles, and high hurdles. However, the white-shirted boys were handicapped in the distance events which may have prevented an undefeated season.

Coach Hickman's boys opened the season by overwhelming Catawba here 84-42. Holloman, Trentham, Landau, and J. C. Jones gained most of the honors for State. Joe Jones ran first in the 440; the shot, high jump, and discus went to Trentham; Landau paced the 100 and 220 dashes; and J. C. Jones took both events in the hurdles.

Against the favored Apprentice School of Newport News, Virginia, the track men of State won a close and exciting meet, 66-60. Harold Trentham grabbed three firsts in the shot, high jump, and discus. In the short dashes Graham Landau led the field. J. C. Jones leaped the hurdles fast enough for wins in both of those events. A large turnout of soldiers and civilians saw the contest.

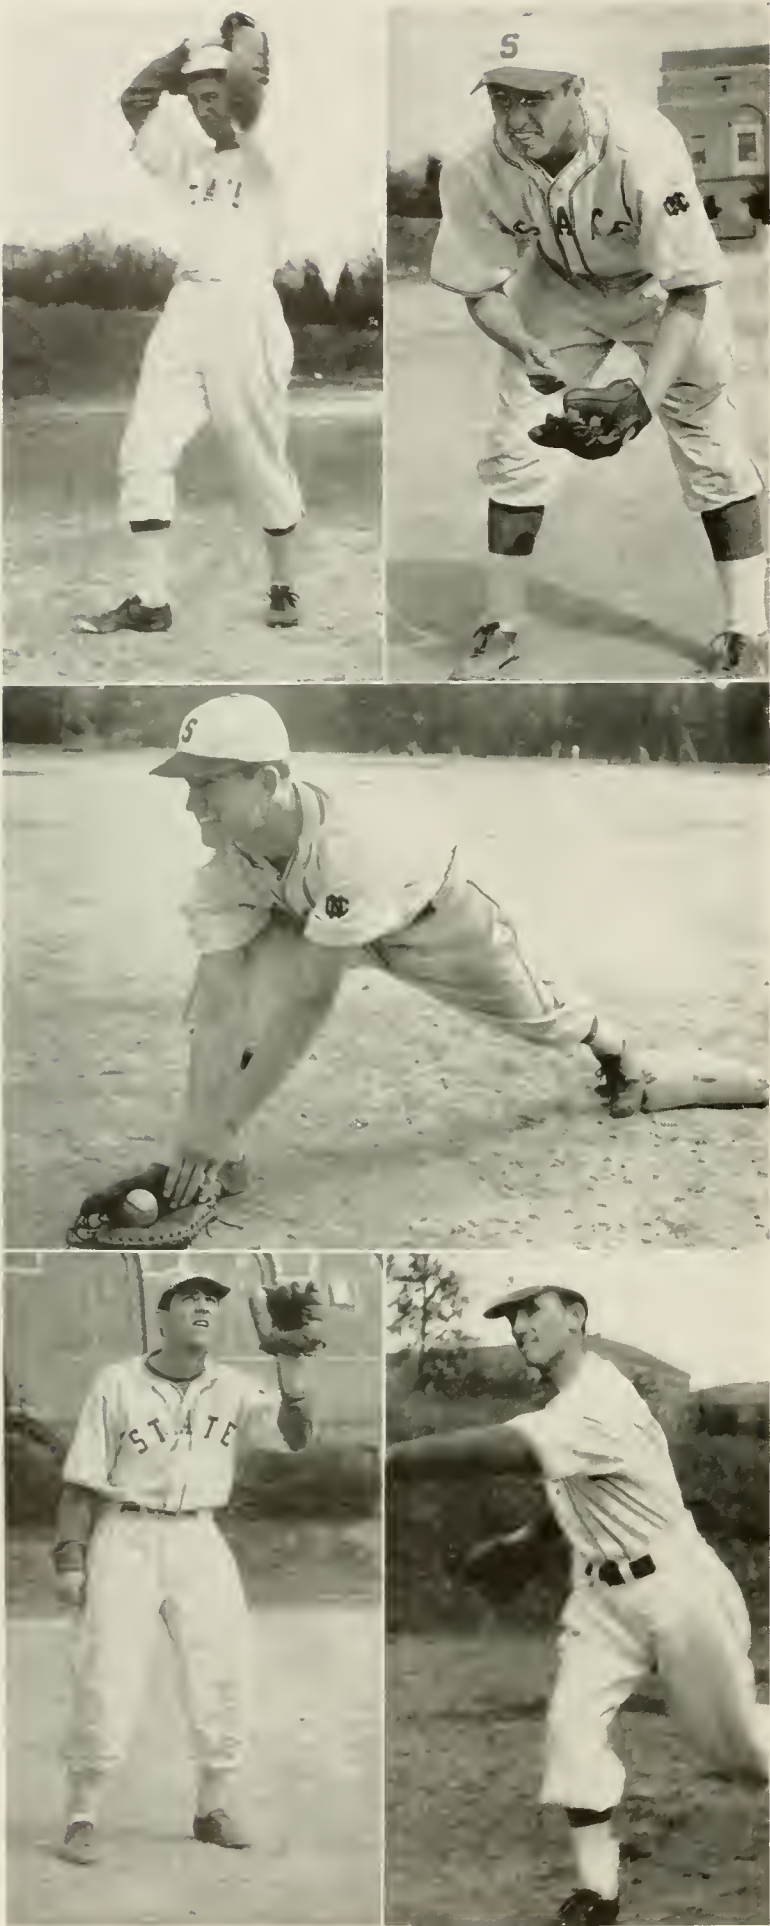

The next cinder attraction went decisively to the visiting team. A very strong Navy Pre-Flight aggregation from Chapel Hill outclassed State 82-48. The Navy took many firsts and

most of the runner-up positions to gain their margin. In the 120 and 220 hurdles, J. C. Jones remained undefeated. Capt. Holloman won first place in both the 100 and 220 dashes. Dick Callaway, a football star, was first in the broad jump. The largest crowd of the season filled the track stadium.

An undefeated Davidson track team won a hard-earned affair from the State cindermen 74-52. The Red and White collected six first places and one tie for first in the pole vault. By winning firsts in the javelin, 880 run, and pole vault, State displayed strength in these events for the first time. Pacing these events were Fred Miller, Neuffer, and Clee, respectively. J. C. Jones again copped the high and low hurdles. For State, Trentham was top man in the shot and Holloman led the 440. The Wildcats dominated the distance events in the meet held in Raleigh.

State closed the cinder season in a return meet with the Navy Pre-Flight at Chapel Hill. The Cloudbusters were victorious again by a closer 71-55 margin. J. C. Jones remained undefeated in the 120 high and 220 low hurdles. The shot and a tie for first in the high jump went to Trentham. Joe Jones hit his stride in the 440 and so did Bob Phillips in the 100 yard dash. The 220 and javelin went to Holloman and Miller, respectively. In all, State earned first place honors in eight events. The Navy was superior in the field events and distance runs.

In the mammoth Carolina's A. A. U. Track and Field Meet at Chapel Hill, State cindermen were below their usual form. However, Phillips, Landau, and J. C. Jones gave State the runner-up positions in three events.

State	12	Fairchild Aircraft	4
Won	3	Lost	10

Coach Doc Newton found just one letterman and two reserves available when practice started. Inexperience hampered the team with many positions being filled by freshmen and sophomores. The Red Terrors were a hard-hitting team with a run average of 5.8 per game and a base hit average of 9.4. But with unsteady defensive play and ineffective pitching, this good offensive showing was not enough.

Herman Vernon did most of the hurling with Charlie Fetner, J. A. Warren, Clint Hege, and Hank Ogden sharing plenty of action. Versatile J. B. Edwards caught four games before leaving for service. Charlie Godwin and Jack Singer alternated for the rest of the season. In the infield were Bob Bryan at first, Jimmy Wilson at second, Tommy McLaughlin and Bill Wood alternating at short, and Leo Katkaveck at third. The outfield consisted of Glenn Johnson in left, either Wood or Singer in center, and Nevin Dayvault in right.

Hitting honors went to freshman Wilson who clouted a lusty .362. This slugging second baseman is the only man on the squad who will

CHARLIE FETNER, *Pitcher* LEO KATKAVECK, *Third Base*
 BOB BRYAN, *First Base*

G. P. JOHNSON, *Left Field* J. A. WARREN, *Pitcher*

BASEBALL

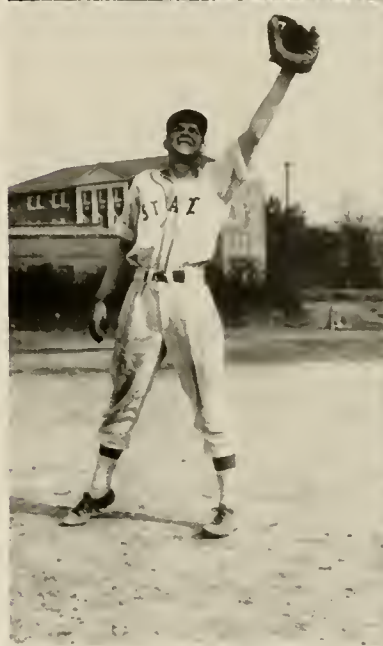

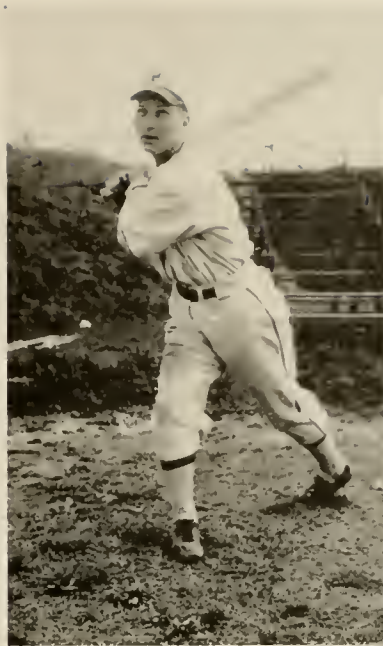

be available for the 1944 team. Johnson, Dayvault, and Katkaveck were other stars in the hitting parade.

The Red Terrors opened their season against Carolina in Chapel Hill and lost to the strong Tar Heels in a one-sided affair. In their second game, they soundly defeated the N. C. Pre-Flight 12-6. A six-run splurge in the fourth sewed up the game for pitcher Vernon. State traveled to Durham and dropped an exciting slugfest 15-10 to Duke. Edwards and Katkaveck collected three hits apiece. Carolina took a Ration League contest from the Red Terrors here in Raleigh. The game was a close affair with the final score being 5-2. The Chapel Hill Pre-Flight found their batting range at home against State to easily take the game. Wilson's triple with the bases loaded in the last inning was the big blow of the day. Duke trounced State 9-5 on Doak Field in a well played event. The Red Terrors could not shake off a losing streak and lost another game to the Tar Heels. Both teams hit hard and scored often with the Heels getting 13 runs to our 9. Dayvault secured four hits, including a home run.

State College made one of the best comebacks ever seen in college baseball to defeat the Pre-Flight 10-9. Trailing nine to zero in the seventh, the Red Terrors got busy. They scored four runs in each the seventh and eighth innings. Bryan broke up the game in the final rack with a 2-run double. Warren won the game as a relief hurler. The Blue Devils beat State again in Durham 9-1. Johnson's home run saved the Terrors from a shutout. The Ration League champions, Carolina, won an interesting 6-3 game on the home field of the Terrors. Wilson starred by having a perfect day at bat with four hits. Duke followed and took a slow contest from State on Doak Field. The Pre-Flight, reinforced by several big leaguers including John Pesky of the Red Sox, earned a close 4-1 decision. This was the only erroless game in the league for the season. State College closed its season by walloping the Fairchild Aircraft nine 12-4 in Burlington. Fetner was in rare form as the Fairchild crew lost their first game in five starts. Wilson, Katkaveck, and Wood clouted home runs to lead the rampaging Red Terrors.

JIMMY WILSON, *Second Base*

IN CONCLUSION

For the first time in twenty-three years, there were no freshman sports at State College. There could naturally be none with first-year men playing on varsity teams. However, a junior varsity football team was formed and these boys won the only two games they played. Freshmen made possible the continuation of the intercollegiate athletic program. With these youngsters in the lineup, State was able to carry on.

The Army did not permit its trainees to participate in intercollegiate events. Many excellent athletes for all sports were on the campus but under Army restriction. Of course, State was hampered greatly when competing against service teams and schools using Navy and Marine students.

Wrestling, swimming, and tennis were dropped from the sports program. This was necessitated by the decrease in enrollment from approximately 2,500 to 1,000 students. The intramural activity was continued for total student benefit.

Indications are that athletics will be carried on in spite of numerous obstacles. The outlook is definitely brighter for teams of State College. Several lettermen will return for both football and basketball. As for track and baseball, there are only a few veterans available.

If the success of a team depends on championships won, then this institution left something to be desired. On the other hand, if determination to play, school morale, and physical training are the standards, then State College has some lofty ideals for others to equal.

MACHINES**

**AN OPEN SECRET ABOUT S & W
KNITTING MACHINES**

There is no secret about Scott & Williams' leadership for seventy-nine years as a manufacturer of circular knitting machines.

However, the reason for this leadership may not be so generally known—a program of continuous research to improve present machines and develop new ones.

A recent and gratifying result of this policy is the S & W machine for knitting no-seam Nylon Hosiery.

Other improvements and advances in design are pending and will be announced when machine production is resumed.

*What's the Story
behind the*

WOODEN WALL?

THERE...in the background...stands the first Burlington plant. It was built way back in 1923. One of its four walls was of wood!

Ever hear the story behind this particular wall? The first plant to be built by the Burlington Mills Corporation was designed so that one wall could be torn down on short order... and more floor space added. From the beginning, leaders of Burlington Mills were sure they were going places. And when you've got an idea like that you need a lot of elbow room!

It wasn't long before the carpenters were on the job. They and the builders kept coming back... adding new plants, making room for more machinery and more workers. Seven years later there were 8 Burlington plants in operation in

this same locality... and 4000 men and women were at work, turning out fabrics of quality.

But this was only one mill... one community. Today, there are 45 Burlington Mills plants in 31 separate communities. 16,000 persons are now on the Burlington Mills payroll... and they're working for Uncle Sam, too—keeping his fighting men supplied with important fabrics.

And the wooden wall after the war? If you look closely at all plants that Burlington has built—weaving, spinning, knitting, dyeing—you'll see each has a wooden wall... a door that opens to the future.

Burlington is going to go on growing, expanding, creating new jobs and making better jobs for all...and better communities in which to live.

A State College graduate should be like a steel structure, designed to withstand the live loads and the wind stresses which are sure to come, and with a liberal factor of safety to insure Strength and Security.

And he should be as adaptable to changes to meet new conditions as is a steel structure, which may be reinforced for greater loads or for increased height, or to which an addition may be readily made.

We congratulate you, young men, because of the opportunities of preparation you have had. We know if you can stand the gaff of State College curricula you have the ability to make a success.

CRAMERTON MILLS

INCORPORATED

Fine Cottons - Yarns and Cloths

CRAMERTON, N. C.

In 1940 before Pearl Harbor, Cramerton was making 38 different fabrics. After the attack by the Japs, and our country became involved in war, the Cramerton Mills also went to war, changing from fancy goods to only twelve different constructions—to be specific 8.2 Army Twill, Wind Resistant Poplin for Army Field Jackets and Trench Coats, Sateens and various other constructions for the Army, Navy, Coast Guard and essential Civilian goods.

By simplifying and streamlining it has been possible to increase our production substantially. Cramerton fabrics are not assembled from miscellaneous sources, but produced through the perfect coordination of each producing unit; spinning mill, weave shed and dye house. For our war efforts, the Army and Navy have awarded us the E Award for excellence, and later two Stars. Quality and quantity of production in the light of available facilities are factors in selecting recipients for the Award. The Board also considers: (1) Overcoming of production obstacles, (2) Avoidance of stoppages, (3) Maintenance of fair labor standards, (4) Training of additional labor forces, (5) Effective Management, (6) Record on accidents, health sanitation and plant protection, (7) Utilization of sub-contracting facilities.

The Management of the Cramerton Mills has been very careful in the selection of key men, and realize that men who stand high in their class in textile schools will be the men of tomorrow, who will fill these important positions.

"ON THE CAMPUS"

It Takes Power... There's Plenty of it!

It takes a lot of electric power to make the tools of war. And there's plenty of it in America . . . more than in all the Axis countries combined. That's why America is the Arsenal of Democracy and is also able to have a military organization of millions of men. Electricity releases manpower for military duty. The Carolina Power & Light Company has met *all* demands for electric power by war industries and the many military posts and camps in and adjacent to its territory, without asking a single one of its regular customers to curtail his use of power. There is still plenty of power for all the needs of all its customers.
